SKILLS

- Technical (Hard Skills)
- Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React, Next.js, Tailwind CSS
- Backend: Node.js, Express.js, PHP, Laravel, RESTful APIs
- Databases: MongoDB, MySQL
- Tools & Platforms: Git, Appwrite, Redis, Vercel
- Architecture & Practices: MVC, Agile/Scrum, Secure Authentication, Performance Optimization
- Professional (Soft Skills)
- Problem Solving & Analytical Thinking
- Communication
- Collaboration & Teamwork
- Leadership & Ownership
- Time Management & Adaptability
- Attention to Detail

LANGUAGES

- English (Primary)
- Spanish (Basic)

SUMMARY

Innovative Full Stack Developer with over four years of experience designing, developing, and deploying scalable web applications using modern JavaScript frameworks and backend technologies. Proven track record of improving application performance, increasing user engagement, and delivering production-ready solutions through clean architecture and optimized systems. Strong collaborator with a solid engineering foundation, experienced in building secure APIs, optimizing databases, and translating business requirements into high-quality software solutions.

OBJECTIVE

Results-driven Full Stack Developer with 4+ years of hands-on experience building high-performance web applications and RESTful APIs. Proven ability to improve application performance, increase user engagement, and deliver scalable solutions using React, Node.js, Laravel, MongoDB, and MySQL. Eager to support business growth through clean, efficient, and maintainable code.

PROFESSIONAL EXPERIENCE

FULL STACK DEVELOPER

Neoversity Africa . Ikeja, Lagos | August 2022 - January 2024

- Designed, developed, and deployed full-stack web applications using React, Next.js, Node.js, Laravel, and TypeScript.
- Built and maintained secure RESTful APIs, improving system reliability and scalability.
- Optimized application performance and database queries, reducing load times and improving user experience.
- Collaborated with designers and product teams to deliver user-focused features and production-ready solutions.
- Conducted code reviews, resolved production issues, and enforced clean coding standards.

EDUCATION

B.SC. MECHANICAL ENGINEERING

Lagos State University . Nigeria | Jan 2023 - present
